Business meeting and program 1st Tuesday 7:30PM
AGMC Board Meeting Last Tuesday 7:00PM

PRESIDENT'S ADDRESS

Elaine O'Donley

We came back from Franklin, N.C. with various faceting materials. While there, we met MARSH HOWARD, INVENTOR OF THE "LIGHTNING LAP". Of course, we just had to purchase that lap from Marsh. Another highlight was seeing the beautiful work of the great, Dalan Hargrave. Did you know he has what appear to be tiny, faceted sapphires imbedded in the index wheel on his Ultra -Tec Machine, and larger 12 mm gems wherever he could find a place to put them - What a sight!!!!!!!!!!!! Dalan's works are legend! He is in a class by himself and will be coming out with a book on how to concave facet, very soon. We met another gentleman, who will do a program for us in the spring of 2011 and bring some of his beautiful rough along. We had a comfortable stay at a Bed & Breakfast where we met another couple also attending the FRANKLIN FROLIC 3. Needless to say, our conversations went late into the night. We must have done a good job talking about all that AGMC has to offer, because this Atlanta couple has decided to come here and visit AGMC in the fall. THE AKS SHOW was a smashing success! Our VOLUNTEERS did a superb job, showcasing AGMC; so much so, we have been invited back to DEMONSTRATE AND TO DO SEVERAL LITTLE CLASSES again in February. MANY THANKS TO BETH SPINKS, COORDINATOR FOR THE AKS SHOW, AND ALL THOSE WHO PARTICIPATED.

OUR AGMC "TEXAS TREASURES" SHOW IS SEPTEMBER 4 and 5. We anticipate many new faces coming to see more of what AGMC has to offer, as a result of attending the AKS Show. So, with this in mind, we would once again ask that plenty of members man the DEMONSTRATION TABLES and other areas, where they are needed. Sign-up Deadline is fast approaching. CONTACT FRANK O'DONLEY TO SIGN UP FOR THE DEMONSTRATION TABLE. CONTACT KAREN CESSNA TO SIGN UP FOR ANYTHING ELSE. We would like to see more people sign up for various competitions. DEADLINE FOR ENTERING YOUR COMPETITION PIECES IS FRIDAY, SEPT 3 BEFORE 5:00 p.m.

IMPORTANT AGMC SHOW INFORMATION!!!!!! - SHOW SET-UP starts @ 8:00a.m, FRI, SEPT. 3. SHOW DOORS OPEN at 10:00 A.M. both SAT & SUN, SEPT 4 & 5. Workers need to be AT THE SHOW NO LATER THAN 9:30 a.m., unless otherwise designated by the Show Chair. FOOD for the DEALERS' DINNER should be brought TO

The Dealer's Dinner will be managed by Nancy Leary and Alfreda Houston. They will need a lot of volunteers to help out. There is a signup sheet for food that is placed on the front tables. Harold requested that the Secretary send an email to the Newsletter Editor to place a special request for members to support the Dealer's Dinner with side dishes, salads, desserts, bread, rolls, Etc.

SEPTEMBER 2010

you teach, you get one Arlie Buck, redeemable for classes and/or lapidary time.

New Wax Carving and Casting Class: Emie Stewart will be teaching a new session of beginning wax carving and casting on Thursday nights, beginning September 23, from 7:00 – 10:00 PM. The class is 13 weeks long, and will go into January because of the holidays. The signup sheet was posted at the August meeting.

New Glass Class: Beginning on October 23, Sue Poarch will teach an advanced glass class covering slumping and other techniques. The class will meet on the 2nd Sunday and 4th Saturday of each month, from 1:00 – 5:00 PM. The sign up sheet will be posted at the September meeting.

New Cabbing Class: Ray Wilkes will teach an additional beginning cabbing class on the 1st Saturday of each month, beginning on October 2, from 1 – 4 PM. Sign up sheet will be posted the month before the class.

Silversmithing Class Changes: A new advanced silversmithing class will be offered on Friday nights, beginning approximately at the end of October. The class is open to those who are currently in the intermediate classes. You can notify Emie Stewart via email at schueler@flash.net if you want to be in the advanced class. In addition, two new beginning silversmithing classes will be offered, one on Monday night and one on Wednesday, beginning in October and November. Sign up will be the month before the class begins.

Thank You: Many thanks to those folks who continually step up and offer to teach. While other clubs are dying on the vine, AGMC continues to experience robust growth, due primarily to active members just like you. Thank you for the generous gift of your time and talent.

AGMC Show Competition: Thank you to those who entered pieces in the club competition at AGMC's annual Labor Day weekend gem and mineral show. Also, thank you to the judges who donated their time to critique the works.

AGMC Show Display Cases: Thank you to those who created displays for the club's show. People are always interested in seeing what we do, and the cases are a great way to show off our classes and work.

No Shows: If you sign up for a class and are unable to attend, you must let the instructor know before the class date so that they can offer your slot to someone on the waiting list. Failure to do so may cause you to be listed as a "no show." Club policy is that no-shows will be wait-listed for future classes at the instructor's discretion.

FIELD TRIPS

Sue Poarch

The September field trip will be to visit the Vetro glass blowing in Grapevine.

I've had many requests for a return visit, so this is a return visit. Especially of interest was to make Christmas ornaments. I stopped at Vetro and talked to Shannon - she remembered our earlier visit. After talking with the person, we have set up the return visit on much the same basis as before. Since there are only two glass blowing stations, the time frame is from 10 AM to 2 PM. Just come during that time, identify yourself to who ever is working in the gift shop. That person will put you on the list to assist with your project. We will be able to make either Christmas ornaments or glass flowers. Making an ornament or a flower costs \$25 plus tax.

You're also invited to come just to watch - that doesn't cost anything and is fun.

So, for all of you who wanted a return visit and those of you who didn't get to attend the January visit, please join us.

Please sign up at the September meeting or send an email to sue.poarch1@tx.rr.com. I need to provide Vetro with a count of attendees that week so they can be prepared. Plus they would like a list on visit day.

When: September 25 from 10 AM to 2 PM.

Where - Vetro Glass, Grapevine, TX (directions to be sent later, but it's right across the parking lot from the train depot)

Make: Christmas ornament or a flower - you get to assist -

Cost: \$25 plus tax if you make a glass object. Free to just come and watch
